WARNING!

- Player batteries should not be exposed to excessive heat such as fire or similar.
- Do not soak the product in water or other liquids.
- Do not disassemble, alter or apply heat to the product.
- Recommended Operating Temperature: 0°C to 45°C (32°F to 113°F)
- Recommended Storage Temperature: -10°C to 60°C (14°F to 140°F)
- Low temperatures (< -10°C / 14°F) or high temperatures (> 45°C / 113°F) will shorten the battery life.
- To prevent possible hearing damage, do not listen to high volume for long periods of time.
